Mission Statement

Selling environmental ink and toner cartridges for printers are just some of the sustainable practices implemented at InkPeace

What makes Inkpeace a Recognized Green Business

InkPeace demonstrates green business practices in all of the six areas required in the Long Beach Green Business Recognition program.

- Recycles paper, cardboard, newspaper, glass, metal, and plastic as well as E-waste
- Uses electronic billing methods
- Print double-sided copies
- Use reusable rather than disposable products
- Reuse packing and shipping materials
- Recycle print cartridges or use refillable toner cartridges

- Shut down computers and use standby mode
- Turn off electronic devices when not in use
- Use Energy Star products

- Funds drought tolerant plants for planters currently maintained by “Bridge for Life” clients

- Use paper with at least 30% post-consumer waste

- Plan delivery routes to reduce trips
- Offer telecommuting or flexible schedules for employees

- Offer customer green service or amenity options
- Incorporate green items into performance appraisals, job descriptions, and/or employee orientation and training
- Incorporate green items into company newsletter, bulletins or marketing materials
- Establish employee green committee to further green business efforts
- Participate in local green events like tree plantings, cleanups, etc.
